

Being Fearless

Enfrentar miedos

We all have fears of one type or another. You can't avoid fear, or ignore it, or turn your back on it.

Todos abrigamos temores de una u otra índole. No puedes evitar el miedo, ni ignorarlo, ni darle la espalda.

The key is to look straight at all the things we're afraid of and ask God to deal with all of the aspects of whatever it is that is making us afraid.

La clave es hacer frente a las cosas que nos dan miedo, pidiendo directamente a Dios que se ocupe de todos los aspectos de aquello que nos está generando miedo.

God is greater than all of the scary things we have to face. "You aren't in this alone," He says. "Take My hand. We'll make it through this together."

Dios es más grande que todas las cosas aterradoras que se nos presenten. No estás solo en esto —nos asegura en tono tranquilizante—. Toma Mi mano. Juntos sortearemos esta dificultad.

Scary things are not so scary when we face them with faith. Faith is what makes us fearless!

Las cosas aterradoras que se nos presenten no son tan temibles cuando las enfrentamos con fe. La fe es lo que nos hace intrépidos.
